

# PanoSuite – A Production Pipeline for Panoramas

VISGRAF Laboratory (IMPA) - DIGITOK

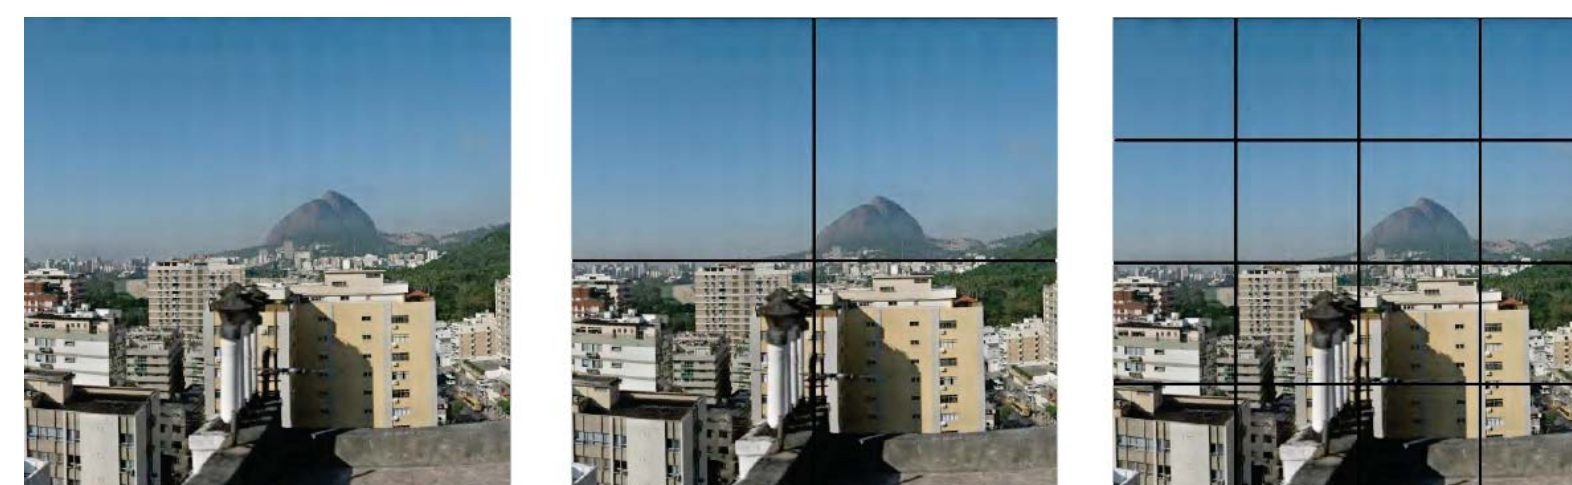

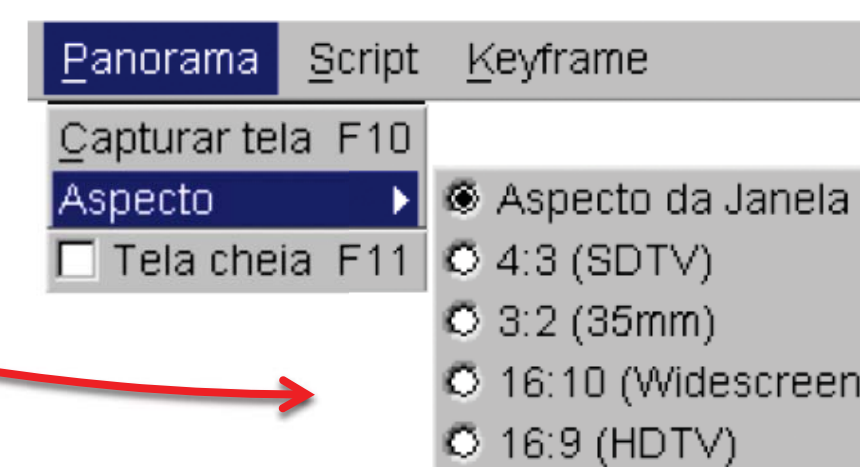

## - PanoStitch: *panorama assembling tool*

- Gigapixel Images
- Multiresolution Structure
- Align / Blend at any Scale

## - PanoView: *real-time visualization of panoramas*

- OpenGL Texture Based
- View-dependent Display
- Multiple Standards
- Scriptable

## - PanoProcess: *image operations with panoramas*

- Image Filters
- Multiresolution Compositing
- Format Conversion

## - PanoAuthor: *interactive narratives based on panoramas*

- Multiple Panoramas
- Cinematic Navigation
- Mixed Media
- Programmable
